

PreARE Review Program Schedule & Locations - July 2009 Program

The PreARE Program will start with a one-day orientation seminar on the first weekend of July. After the initial meeting, every weekend the class will meet in their respective locations for an extensive two-day workshop for a total of 40 class sessions and over 150 hours of classroom instruction. The final session of the Course will be dedicated to a rigorous course review of all seven sections in final preparation for the ARE to be taken in either November or December. Upon graduation of the PreARE Program, all candidates will sit for the ARE 4.0, in its entirety, in a one week span.
